DELIGHTFUL EXERCISES

Commencement of Miss Gordon's School Last Night

In the presence of a large assemblage, the closing exercises of another term of Miss Gordon's Training School was held last night at Washington Opera-house.

The graduates this year were Miss Ella Lewis McClanahan and Mr. Edward Church Ball, and their final reports and those of other pupils of the school reflected great credit on their instructor.

Mr. Ball's oration was on the subject, "The Awakened Civic Conscience," and in it he proved himself thoroughly acquainted with the times, politically and otherwise.

Miss McClanahan showed decided talent in her recitation, "The Sacrifice of Genius," which was especially pleasing and well received.

The musical numbers of the program were excellent. Miss Wadsworth rendered two fine selections, while those of the Temple Male Quartette were greatly appreciated.

A ten minute address was made by Prof. A. N. Gordon, and Hon. W. H. Wadsworth delivered the diplomas and scholarships to the graduates, paying high compliment to the school in the course of his remarks.

Following the exercises at the Opera-house Mr. and Mrs. Ball gave an elegant reception at their home on The Point in honor of the graduates and the school. The grounds were beautifully illuminated and music was furnished by the Orchestra. The reception was one of the most charming events of the Commencement season.

Shirley L. Frisbie has brought suit at Cincinnati for \$10,000 damages against Ashley Ward for shooting him in the arm. The shooting grew out of a quarrel in February between Ward and Frisbie over an alleged insult to a young woman.

Representatives of the Home-Coming Week Committee of Glasgow are trying to get a couple to be publicly married during the celebration, June 16th. They offer a free wedding, with at least \$250 worth of wedding presents as an inducement.

In a column of "Kentucky," The Louisville Herald says Maysville, in 1789, refused to set up a cold breakfast for less than one shilling and three pence, but then the proud little metropolis of Mason gave lodging "with clean sheets" for nine pence.

There's little room in this great world of ours for the "Fat Woman." She's a hindrance to herself in streets, cars, elevators; but what can she do, poor thing—take Hollister's Rocky Mountain Tea. 35 cents, Tea or Tablets. J. James Wood & Son.

Earl E. Hluson, son of J. H. Hluson of near Tuglestown, this county, died this week at Colorado City, Tex., where he went some six weeks since for his health. His remains are expected to reach his home today for interment.

Yesterday was an intensely hot day. At 11 o'clock the temperature was ranging close about the 90's. The weather was decidedly favorable for heat prostration and that none was reported is rather in the nature of a miracle. Horses as well as men, compelled to work and navigate in the burning rays of the torrid sun, suffered from its depressing effect.

Mr. H. M. Daugherty of the New Central Hotel is a fancier and raiser of a rare species of mocking birds. His reputation as such has gone abroad and a few days ago he received an order for a pair from Mr. Gerard Smith of Pittsburgh. He received \$50 for the birds. Mr. Smith is an old Maysville boy, and a believer in what Kentucky produces to be the best in the world.

The large concourse of sorrowing relatives and friends attending the funeral of Miss Margaret Campbell Pickett yesterday morning attested in a degree the esteem in which this lovely christian woman was held in the community. The floral offerings were elaborate and beautiful. The emblem of the Missionary Society of the First Presbyterian Church, of which the deceased was President, was an Anchor. The large number of men who attended was noticeable.

KAUFFMANN—SCHAEFFER.

A pretty home wedding celebrated Wednesday was that of Miss Minnie Schaeffer, daughter of Mr. A. Schaeffer of this city, to Mr. Owen Kauffmann of Springfield.

The ceremony took place at the home of the bride's grandmother, Mrs. F. P. Hady, in Southern avenue, Cincinnati.

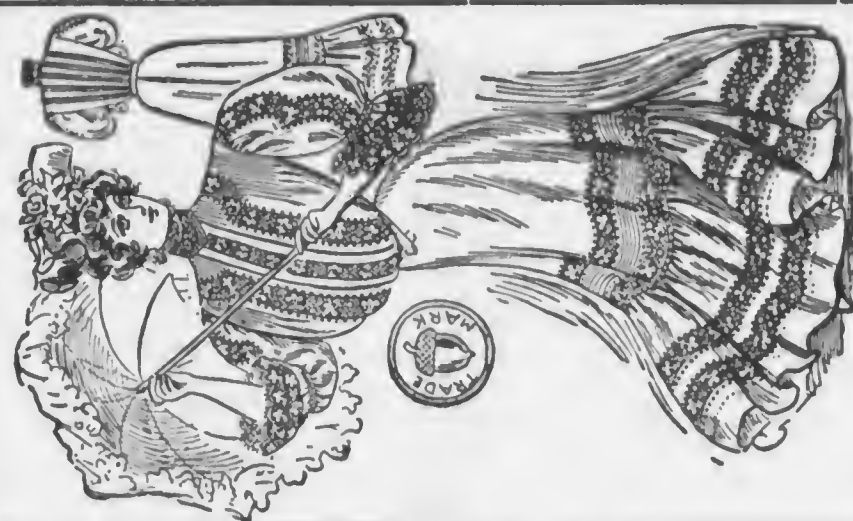

Miss Schaeffer was attended by Miss Iva Richards and Miss Elsie Schoenle.

ALLEN—ADAMS.

Mr. Jesse L. Allen, aged 24, and Miss Mary L. Adams, aged 22, of Fleming county, were married last night in the parlor of the Kentucky Hotel, Rev. P. A. Cave of the Christian Church officiating.

It was an elopement, and the marriage will be a surprise to parents and friends. The contracting parties were accompanied by Mr. Hermau Courtney and Miss Bessie Allen.

JUST SIX LEFT!

After the season's enormous selling in our ready-to-wear department we find just a half dozen silk shirt waist suits. The colors are black, red, Alice blue, navy, gray and reseda. The quality of the silk is excellent, the designs very stylish, with the deft touches that proclaim their New York birthplace. Notwithstanding the low price, if the dresses need alteration they will be made to fit without charge. Rarely comes the opportunity to secure a handsome silk shirt waist suit for the price of a cotton one bought by the yard and to which a dressmaker's bill is attached.

It is said there will be a redhot campaign in the Tennessee gubernatorial race; which means that somebody has money to burn.

The New York Times says that Secretary SHAW will start a Bank of his own when he retires next March. Well, he ought to possess the "know how" after having so long successfully managed the biggest and richest Bank in the world—Uncle Sam's Treasury.

AND now the learned Detectives have found a "group" of Anarchists out in Oregon who are praising the assassin of McKinley and preparing for the murder of President Roosevelt. Of course these vipers will be left undisturbed, and after crime is committed then there'll be another period of protest—on paper only.

COLONEL AUGUSTUS CAREY, aged 80 and of Boston, has ideas as well as wheels in his head. He's cock-sure that he can extract the gases from water and burn them, and that he can evolve an iceless refrigerator that will send the Ice Trust to the scrap-heap; but what his fellow-townsmen want most is an airless bean.

"SIXTEEN-TO-ONE" is the name of a new dice game, so called because it is said there are about sixteen chances to one that the player loses his stake. The idea is for the player to guess what number the dice will total when thrown. If his guess is correct, he wins; otherwise, he loses. The author of the game is not disclosed, but it looks very Bryanesque.

KENTUCKY presents a beautiful aspect to her sister states, when the Governor feels called upon to enforce those laws which the Mayors of cities are elected and sworn to enforce.

It is said that a German locomotive exerts the power of 900 horses. Pshaw! There's one down at the C. and O. Station that exerts the power of 9,000 jackasses when it whistles—exclusive of the jackass who pulls the whistle-rope two or three times.

THE London Daily Telegraph admits that Great Britain's attitude might perhaps be modified with advantage with regard to the asylum offered Anarchists, but contends that "it is a subject bristling with difficulties and calling for most careful investigation." Rot! The subject ought to "bristle with bayonets" instead of difficulties, until every Anarchist, and every sympathizer with an Anarchist, is wiped off the face of the earth. The longer their extermination is delayed, the more it will cost in life and money to wipe them out. Do it now!

FORMER Circuit Judge J. D. ROBBINS of Mayfield has been suggested for appointment on the Democratic State Central Committee from the State-at-Large when Circuit Judge JOHN M. LASSING is appointed to the Court of Appeals to succeed Senator-elect PAYNTER, the line on political activity in the judiciary in Kentucky being drawn at the Appellate Court.

Judge ROBBINS was Governor BECKHAM's appointee as Special Judge to try CALEB POWERS for the third time, being a member of the Democratic State Campaign Committee at the time he was chosen for this delicate duty, and his pronounced partisanship at that trial entitles him to the succession of Judge LASSING on the State Committee as the representative of the judiciary in the Democratic political machine. In fact, The Lexington Leader says he is just the man for the place.

TERRIBLE ECZEMA ON LITTLE BOY

Mouth and Eyes Covered With Crusts—Face Itched Most Fearfully—Hands Pinned Down to Prevent Scratching

MIRACULOUS CURE BY CUTICURA REMEDIES

"When my little boy was six months old, he had eczema. The sores extended so quickly over the whole body that we at once called in the doctor. We then went to another doctor, but he could not help him, and in our despair we went to a third one. Matters became so bad that he had regular holes in his cheeks, large enough to put a finger into. The food had to be given with a spoon, for his mouth was covered with crusts as thick as a finger, and whenever he opened the mouth they began to bleed and suppurate, as did also his eyes. Hands, arms, chest, and back, in short the whole body, was covered over and over. We had no rest by day or night. Whenever he was laid in his bed, we had to pin his hands down; otherwise he would scratch his face, and make an open sore. I think his face must have itched most fearfully."

ALFONSO HONRATH.

"We finally thought nothing could help, and I had made up my mind to send my wife with the child to Europe, hoping that the sea air might cure him, otherwise he was to be put under good medical care there. But, Lord be blessed, matters came differently, and we soon saw a miracle. A friend of ours spoke about Cuticura. We made trial with Cuticura Soap, Ointment, and Resolvent, and within ten days or two weeks we noticed a decided improvement. Just as quickly as the sickness had appeared it also began to disappear, and within ten weeks the child was absolutely well, and his skin was smooth and white as ever before." F. Honrath, President of the C. L. Honrath Company, Manufacturers of Silk Ribbons, 4 to 20 Rink Alley, June 6, 1905. South Bethlehem, Pa.

YOU CAN'T LOSE HIM!

The "Man From Maysville" Is Everywhere Every Time

You can't lose him; He's johnnie-on-the-spot every time!—The "Man from Maysville." He was probably an Engineer on Captain Noah's Ark; It's quite certain Colonel Solomon couldn't have built his harem without him; He was a chum of Commodore Columbus; And is the boss discoverer of every town in America. He was at Galveston, San Francisco; He's all over Europe, Asia and Irip; And it's a cinch that when Walter Wellman discovers the North Pole he'll find the Man from Maysville sitting on top of it!

Suppose you've read of the recent riotings at Cananea, Mexico. Well, the "Man from Maysville" was there, too. He was Mr. Tom Darnall, son of Mr. and Mrs. C. W. Darnall, of West Second street; and here's an extract from a letter written by his wife to the "old folks at home":

CANANEA, MEX., June 3d, 1906. Dear Folks: This is just a little note to let you know we are all safe, Scudder included, and while the trouble has been very serious, and there has been much danger, don't believe the newspaper accounts, as they are bound to be greatly exaggerated.

The lower class of Mexicans were bent on getting rid of all the Americans, and they were also going to destroy the Mexican Government; but now things are quiet. Soldiers and the Governor of Sonora are here, and they anticipate no further trouble, as the Americans have turned things over for the Government to settle. The only real damage done was when they burned the immense lumberyard and killed two of the men in the lumber offices—two brothers—one the Maragor, (Americans.) Then they planned to burn a big Mexican Government Building, but the Americans—five in number—shot into a large mob and scattered Mexicans in every direction.

All the American indies who didn't leave town went either to the Hospital in Sonora, where they had guards to protect them, or over to Mr. Greeno's residence. I went there, where we were perfectly safe, as they had men guarding the place, so that it was impossible for the Mexicans to get anywhere near it if they had wanted to, which they didn't even try. We were there Friday night, Saturday and last night, but came home this morning early. I served coffee and sandwiches all Friday night to the men on guard, about 150.

Tom was around on his horse most of the time, helping, so that they couldn't have gotten along hardly without him, but keeping out of danger.

Everything was shut down, as the miners struck for \$5 a day and eight hours work a day, but this morning most of them went back to work.

Don't worry, as we are getting along all right, and if anything happens the Company will telegraph Lovingly. CARRIE AND TOM.

SQUEEZED BY ANACONDA

"Loretta," John Robinson's Snake Charmer, May Die

Did you see Loretta the snake charmer at John Robinson's Circus?

Out at Mt. Pleasant, Iowa, when she entered the den of forty big snakes they attacked her, the boss anaconda squeezing her so that she may die.

The showmen beat the anaconda with clubs, and, bleeding and frothing at the mouth, it escaped toward Fort Madison.

Farmer James Masterson saw it crossing a field with a pig in its mouth, seven miles out; but farmer Masterson probably had taken a sup of Iowa snake medicine.

Loretta is the wife of Captain O. K. White, and their home is in Cleveland.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

FROM GIRLHOOD TO WOMANHOOD

Mothers Should Watch the Development of Their Daughters—Interesting Experiences of Misses Borman and Mills.

Every mother possesses information which is of vital interest to her young daughter.

Too often this is never imparted or is withheld until serious harm has resulted to the growing girl through her ignorance of nature's mysterious and wonderful laws and penalties.

Girls' over-sensitiveness and modesty often puzzle their mothers and baffle physicians, as they so often withhold their confidence from their mothers and conceal the symptoms which ought to be told to their physician at this critical period.

When a girl's thoughts become sluggish, with headache, dizziness or a disposition to sleep, pains in back or lower limbs, eyes dim, desire for solitude when she is a mystery to herself and friends, her mother should come to her aid, and remember that Lydia E. Pinkham's Vegetable Compound will at this time prepare the system for the coming change, and start this trying period in a young girl's life without pain or irregularities.

Hundreds of letters from young girls and from mothers, expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished for them, have been received by the Lydia E. Pinkham Medicine Co., at Lynn, Mass.

Miss Mills has written the two following letters to Mrs. Pinkham, which will be read with interest:

Dear Mrs. Pinkham:— (First Letter.)

"I am but fifteen years of age, and depressed, have dizzy spells, chills, headache and back-

ache, and as I have heard that you can give helpful advice to girls in my condition, I am writing you."—Myrtle Mills, Oquawka, Ill.

Dear Mrs. Pinkham:— (Second Letter.)

"It is with the feeling of utmost gratitude that I write to you to tell you what your valuable medicine has done for me. When I wrote you in regard to my condition I had consulted several doctors, but they failed to understand my case and I did not receive any benefit from their treatment. I followed your advice, and took Lydia E. Pinkham's Vegetable Compound and am now healthy and well, and all the distressing symptoms which I had at that time have disappeared."—Myrtle Mills, Oquawka, Ill.

Miss Matilda Borman writes Mrs. Pinkham as follows:

Dear Mrs. Pinkham:—

"Before taking Lydia E. Pinkham's Vegetable Compound my periods were irregular and painful, and I always had such dreadful headaches. But since taking the Compound my headaches have entirely left me, my periods are regular, and I am getting strong and well. I am telling all my girl friends what Lydia E. Pinkham's Vegetable Compound has done for me."—Matilda Borman, Farmington, Iowa.

If you know of any young girl who is sick and needs motherly advice, ask her to address Mrs. Pinkham at Lynn, Mass., and tell her every detail of her symptoms and to keep nothing back. She will receive advice absolutely free, from a source that has no rival in the experience of woman's ills, and it will follow, put her on the right road to a strong, healthy and happy womanhood. Lydia E. Pinkham's Vegetable Compound holds the record for the greatest number of cures of female ills of any medicine that the world has ever known. Why don't you try it? Lydia E. Pinkham's Vegetable Compound Makes Sick Women Well.

While his father was in the city recently, Fred, youngest son of Dr. W. T. Burdick, was so unfortunate as to have his right shoulder dislocated. Drs. Bowman and Irvine kindly reduced the dislocation.

Dr. W. T. Burdick returned from Newport last week, where he had been at the bedside of his wife, who was seriously ill at the residence of her son, Vischer, where she was visiting. We are glad to note that she is much improved at this time.

Charley Donovan, one of the hardest working and straightest men in this, or any other section, and whom every one likes, was recently summoned to Illinois by an aged, wealthy uncle, who deeded him a farm of 200 acres valued at \$125 per acre. He will move to his new possessions this fall. Congratulations, Charley!

STOPS ANY ITCHING.

Doan's Ointment Cures Eczema and Itching Piles. Maysville People Recommend It.

One application of Doan's Ointment stops any itching. Short treatment cures eczema, itching piles, salt rheum—any skin eruption or skin itching. It is the cheapest remedy to use, because so little of it is required to bring relief and a cure. Here is Maysville testimony to prove it.

Mrs. Kate Poth, living at the corner of Clark street and Forest avenue, Maysville, Ky., says:

"I gave a statement about Doan's Ointment which was published in our Maysville papers. I said that I had received most decided benefit from the use of this remedy, procured at J. Jas. Wood & Son's Drugstore. For a long time I had an itching or eczema of the scalp. It broke out in spots, and sometimes the spots would appear on my forehead and temples. The itching was particularly troublesome just before a rain, and was then so intense that I could not sleep at night. It required only a short use of Doan's Ointment to cure the trouble, and the cure has been lasting for the past five years. There has never been even an indication of a recurrence. A friend of mine also had eczema and tried everything for it but never found anything to remove the annoyance. On my recommendation she used Doan's Ointment, and was absolutely cured."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.
